As attendance at our meetings has fallen off lately, you are encouraged to come early to the meeting to be entertained by the self-immolation of one of the board members in a desperate attempt to draw a crowd for our speaker. The participant will be selected by drawing straws to determine who gets the honor. As always, your comments are welcome.

Mark your calendars for these upcoming educational opportunities:

June 14th: Chapter Meeting, Speaker: Honeywell/Genetron Refrigerants.

June 23rd Midwest Association Quarterly Meeting in Springfield, MO.

July/August – No meetings scheduled. Watch your mail in September.

October 20th Midwest Association Quarterly Meeting in Branson, MO.

We are always interested in your ideas for speakers and topics. Contact a board member and let them know what you're interests are.

We are offering “Reduced Memberships” to first time Student Members.

Students who join our chapter and attend at least 4 meetings during the year they join will have their dues reimbursed by the chapter. Contact a board member at the next meeting for details of this limited time offering. It's like getting two years for the price of one!

WE NEED NEW FACES & IDEAS RUNNING YOUR CHAPTER! Please call one of the board members with your ideas and/or to volunteer to help. THE CHAPTER NEEDS NEW BOARD MEMBERS IF IT IS TO CONTINUE TO HOLD EDUCATIONAL MEETINGS!

No one has stepped forward despite repeated calls for help.
