Our thanks to: Rob Dallas of Lennox for presenting our May meeting on Solar Systems in Residential Homes.

Many THANKS! To Chris Cordia who stepped forward with an offer to help run the Chapter's business. We're still shorthanded and there are more vacancies to fill. Please consider doing your part to perpetuate the organization.

We didn't get around to answering the question last month asking if it was possible to boil compressor oil with a vacuum pump. The first person to provide the answer at this month's meeting will get a \$5 gift certificate for QT.

Food and soft drinks will be available for those that come hungry and thirsty.

Mark your calendars for these upcoming educational opportunities:

June 23rd Midwest Association Quarterly Meeting in Springfield, MO.

July/August – No meetings scheduled. Watch your mail in September.

October 20th Midwest Association Quarterly Meeting in Branson, MO.

We are always interested in your ideas for speakers and topics. Contact a board member and let them know what your interests are.

We are offering “Reduced Memberships” to first time Student Members.

Come join us for our technical sessions and also learn about the benefits of belonging to RSES.

Students who join our chapter and attend at least 4 meetings during the year they join will have their dues reimbursed by the chapter. Contact a board member at the next meeting for details of this limited time offering. It’s like getting two years for the price of one!

WE NEED NEW FACES & IDEAS RUNNING YOUR CHAPTER! Please call one of the board members with your ideas and/or to volunteer to help. THE CHAPTER NEEDS NEW BOARD MEMBERS IF IT IS TO CONTINUE TO HOLD EDUCATIONAL MEETINGS!

No one has stepped forward despite repeated calls for help.

Next Board Meeting scheduled for Wednesday, July 11th, Location: TBD

PLEASE! Contact a board member for directions.
