

St. Louis Gateway Chapter

Notice of Meeting – NOTE THE TIME! Thursday, January 24, 2012 – 5:00 PM!

Speaker: Mark J. Walczyk - Director of Sales for Emerson Climate Technologies.

Mark has over 25yrs of experience in the HVAC industry and has held positions in Sales, marketing for Emerson. Mark was Refrigeration Marketing Manager at Copeland in Sidney Ohio and Director of Marketing at Emerson Flow controls. Over the last 25 years Mark has worked with Wholesalers and Contractors in the Midwest and Southeast on Copeland, Flow Controls, Browning and Emerson Motors. Mark has trained over 1000 contractors in the area over the last 5 years on the service and trouble shooting of Emerson products.

Topic: Copeland's Digital Scroll Compressor Retrofit Kit. – PEUs will be available for \$15 for this session.

Food and soft drinks will be available for those that come hungry and thirsty.

MEETING LOCATION

Back to [Spazio's at Westport !!](#) (adjacent to the Comfort Inn)
12031 Lackland Road, St. Louis, MO 63146
(314) 576-0400

Our Sincere Thanks to: Paul Brockfeld from Mechanical Supply for presenting last month's meeting on Weil-McLain's Ultra Series modulating gas boilers.

Our condolences to the families of RSES members David J. Kelsall and Charles Kipper on their passing.

We mentioned last month that Jan Meredith was resigning because she was relocating to Marion, IL. We want to thank her for the many years of service she's devoted to keeping the St Louis Chapter of RSES going. She served as Chapter President in 1992, 1999 and again in 2000. She helped with the International Conference in St. Louis in 1995, the Midwest Conferences in 1988, 1993, 2002 and 2012. She also helped with countless chapter picnics over the years. For many years, the chapter's board meetings were held at Crescent Parts because of her efforts. "Thank you Jan!" doesn't begin to repay all you for all your efforts through the years. We're going to miss you!

The chapter remains viable because of the efforts of those that volunteer their time and efforts. We exist to solely to meet the educational needs of the service engineer. There is a small paid staff at the International Headquarters in Chicago. If you'd like to see the chapter continue as is has since 1934, offering educational opportunities for the members, please let someone on the board know you'd like to help. It certainly won't hurt your career either.

Mark your calendars for these upcoming educational opportunities:

February 21th (3rd Thursday) - Chapter Meeting – Speaker: Sporlan Valve. Topic: Troubleshooting & Service Seminar which focuses primarily on TXV's proper diagnosis and common misdiagnosis.

March 28th – Chapter Meeting – Speaker/Topic: Mitsubishi – details to follow.

We are offering "Reduced Memberships" to first time Student Members.
Come join us for our technical sessions and also learn about the benefits of belonging to RSES.
Students who join our chapter and attend at least 4 meetings during the year they join will have their dues reimbursed by the chapter. Contact a board member at the next meeting for details of this limited time offering. It's like getting two years for the price of one!

WE NEED NEW FACES & IDEAS RUNNING YOUR CHAPTER! Please call one of the board members with your ideas and/or to volunteer to help. THE CHAPTER NEEDS NEW BOARD MEMBERS IF IT IS TO CONTINUE TO HOLD EDUCATIONAL MEETINGS!
RSES is a SERVICEMAN'S educational organization – we need one to volunteer to help run it!
Next Board Meeting scheduled for Wednesday, February 6th, Location: TBD
PLEASE! Contact a board member for directions.
