The chapter remains viable because of the efforts of those that volunteer their time and efforts. We exist solely to meet the educational needs of the service engineer. There is a small paid staff at the International Headquarters in Chicago. If you'd like to see the chapter continue as it has since 1934, offering educational opportunities for the members, please let someone on the board know you'd like to help. It certainly won't hurt your career either.

Our thanks to Ray Jetton of Prism Sales for a very interesting presentation of Mitsubishi's HVAC Systems at our March meeting. Thanks also to all who attended.

Tremendous THANKS this month to Michael Perotta for volunteering to help run the Chapter as a member of the Board!

Mark your calendars for these upcoming educational opportunities:

**May 30th – Chapter Meeting – Speaker: Ron Blechle with the Sporlan Division of Parker Hannifan.
Topic: Shooting Service with focus primarily on thermostatic expansion valve diagnosis and misdiagnosis.**

June through August – No meetings scheduled at this time – if there’s enough interest anything’s possible!

September 26th – Chapter Meeting – Speaker: Chris Cordia from American Trade School will present an Electrical Course w/PEU credits.

We are offering “Reduced Memberships” to first time Student Members. Come join us for our technical sessions and also learn about the benefits of belonging to RSES. Students who join our chapter and attend at least 4 meetings during the year they join will have their dues reimbursed by the chapter. Contact a board member at the next meeting for details of this limited time offering. It’s like getting two years for the price of one!

WE NEED NEW FACES & IDEAS RUNNING YOUR CHAPTER! Please call one of the board members with your ideas and/or to volunteer to help. THE CHAPTER NEEDS NEW BOARD MEMBERS IF IT IS TO CONTINUE TO HOLD EDUCATIONAL MEETINGS!

RSES is a SERVICEMAN’S educational organization – we need one to volunteer to help run it!

**Next Board Meeting scheduled for Monday, May 6th. Location: TBD
PLEASE! Contact a board member for directions.**
