January – (tentative) Safety Training (Core PEU) ??
February – what would YOU like to see?

If your organization has an educational opportunity for our trade coming up, let us know so we can share it with our membership so that all can benefit.

Call a board member with any suggestions you have. If you have an educational opportunity that would benefit our members let us know and we'll try to spread the word.

We offer “Reduced cost Memberships” to first time Student Members.
Come join us for our technical sessions and also learn about the benefits of belonging to RSES.
Students who join our chapter and attend at least 4 meetings during the year they join will have their dues reimbursed by the chapter.
Contact a board member at the next meeting for details of this limited time offering. It's like getting two years for the price of one!
