MEETING LOCATION

**American
Trade School
3925 Industrial Dr.
St. Ann MO. 63074**

(If you received this notice via email, you can click on the map for directions.)

Our thanks this month go to Paul Brockfeld with Mechanical Supply for presenting a PEU approved course covering high efficiency hot water boilers in general with detailed information covering the Weil-McLain Ultra Series Modulating gas boilers at our April Meeting.

Call a board member with any suggestions for future meetings you have. If you have or know of an educational opportunity that would benefit our members let us know and we'll try to spread the word.

Circle these dates on your calendars for these upcoming educational opportunities:

May 21 - American Trade School is holding a HVAC Program Advisor meeting at 4pm. If you are interested in giving your input about what is taught in the HVAC program, please RSVP to Chris@Stltrades.com

June 25 - Chapter Seminar - Seismic Bracing

If your organization has an educational opportunity for our trade coming up, let us know so we can share it with our membership so that all can benefit.

We offer “**Reduced cost Memberships**” to first time Student Members.

Come join us for our technical sessions and also learn about the benefits of belonging to RSES.

Students who join our chapter and attend at least 4 meetings during the year they join will have their dues reimbursed by the chapter. Contact a board member at the next meeting for details of this limited time offering. It’s like getting two years for the price of one!

**RSES is a SERVICEMAN’S educational organization –
we need YOU to volunteer to help run it!**

**Next Board Meeting scheduled for Tuesday, June 2nd.
6pm - at Schnucks, 15425 Manchester, Ballwin, MO 63011**
