

St. Louis Gateway Chapter

Notice of Meeting

Thursday, May 26, 2016 – 6:00 PM

Speakers: Greg Brunts, Sr. Technical Service Advisor at NORTEK Global HVAC will present a 2 PEU seminar on Micro-Channel Coil Technology.

Topic: Micro-Channel Evaporator and Condenser coils. Be ready for when you're sent to install and repair them. Micro-Channel is the latest in efficiency technology and its characteristics are much different than what we've be used to.

For those needing PEU credits there will be a \$15 charge for RSES members and a \$25 charge for non-members. Come early with your license credentials to sign in so that your PEU can be properly recorded with St Louis County.

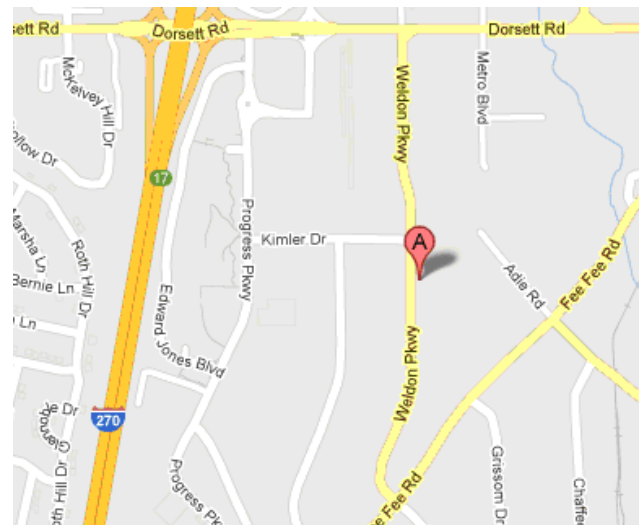

The Chapter Board of directors will meet immediately following the seminar to plan for the April meeting. If you don't help, there may not be many more. If you'd like to have meetings during the summer, let them know - NOW!

(We're not able to supply refreshments any longer so grab something before you get to the meeting.)

MEETING LOCATION

Mechanical Supply Company

96 Weldon Parkway
Maryland Heights, MO 63043
(314) 567-5550

Last month's speakers were Bill Wiedman & Zach O'Bryan with Central States Marketing. They presented a PEU approved seminar covering the field of the latest in electric motors with emphasis on the MARS line of Azure Digi-Motors. All present left with a good background in how to install, setup and service this new technology.

We' planning a June 23rd meeting covering Ameren's rebate programs. Look for a meeting notice next month.

The board decided to host the Annual Mid West Association Conference next March. We'll need the assistance of many our members and local business to make it a success. If you would like to help in any way, make yourself know to a board member. We need to pick a site for the conference, ladies to put together a women's program, and vendors for booths.

There are still positions open on the chapter's board of directors that need to be filled. Hang around after the meeting to see what you can do to help. Keep the chapter going and add line to your resume!

Call a board member with any suggestions for future meetings you have. If you have or know of an educational opportunity that would benefit our members let us know and we'll try to spread the word.

We offer "Reduced cost Memberships" to first time Student Members.

Come join us for our technical sessions and also learn about the benefits of belonging to RSES.

Students who join our chapter and attend at least 4 meetings during the year they join will have their dues reimbursed by the chapter. Contact a board member at the next meeting for details of this limited time offering. It's like getting two years for the price of one!

RSES is a SERVICEMAN'S educational organization – we need YOU to volunteer to help run it!
The Next Board Meeting will be held after the meeting on the 26th.
Stay around and get involved before it's too late.
