

St. Louis Gateway Chapter

Notice of Meeting

Thursday, November 17, 2016 – 6:00 PM

Speaker: Paul Brockfield, Boiler and Hydronics Engineer, Mechanical Supply Company

Topic: Newest installation procedures of Weil-McLain ultra-boiler. Please note, there are new changes to installation of boilers, since last year's seminar.

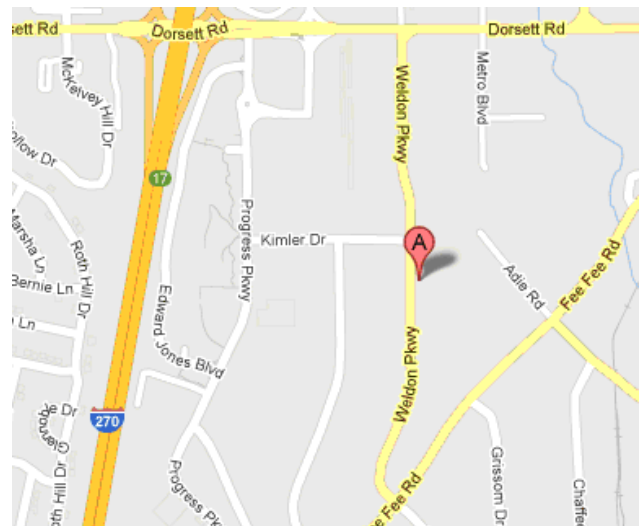

This class is worth 2 PEU credit hours. .

There is no charge for attending but, if you need PEU credit, there will be a \$20 charge for members and \$25 for non-members. Arrive early to fill out your paperwork which will be distributed after the conclusion of the seminar.

MEETING LOCATION

Mechanical Supply Company

**96 Weldon Parkway
Maryland Heights, MO 63043
(314) 567-5550**

The speaker at the October meeting was Gordon McKinney, Vice President and Chief Operating Officer of ICOR International. He presented a seminar on alternate refrigerants that was good for 1 PEU and 2 NATE CEU credits. Thank you Gordon for a very informative session!

The board has decided to host the Annual Mid West Association Conference next March. We'll need the assistance of many our members and local business to make it a success. If you would like to help in any way, make yourself known to a board member. We need to pick a site for the conference, ladies to put together a women's program, and vendors for booths.

There are still positions open on the chapter's board of directors that need to be filled. Hang around after the meeting to see what you can do to help. Keep the chapter going and add line to your resume! The facts are, the "old guys" won't be around forever and someone's going to need to step in when we leave if the chapter is to continue. Show them you appreciate the work they've done through the years and speak up now before it's too late.

Call a board member with any suggestions for future meetings you have. If you have or know of an educational opportunity that would benefit our members let us know and we'll try to spread the word.

We offer "Reduced cost Memberships" to first time Student Members.

Come join us for our technical sessions and also learn about the benefits of belonging to RSES.

Students who join our chapter and attend at least 4 meetings during the year they join will have their dues reimbursed by the chapter. Contact a board member at the next meeting for details of this limited time offering. It's like getting two years for the price of one!

RSES is a SERVICEMAN'S educational organization – we need YOU to volunteer to help run it!
The Next Board Meeting will be held after the meeting on the 23rd.
Stay around and get involved before it's too late.
