

St. Louis Gateway Chapter

Notice of Meeting

Thursday, December 15, 2016 – 6:00 PM

Speaker: James Bowman is the National Technical Manager, HVACR for RectorSeal, a leading manufacturer of quality products for the Professional trades. A 20 year veteran of the industry Bowman started his career as an install helper and progressed up through all departments, including service, sales, design, and management. Mr. Bowman has been NATE certified since 2003 and holds a State of Texas class A contractor's license. His current responsibilities include Technical/CE training on KickStart, Aspen Pumps, Safe-T-Switch, and many other of RectorSeal HVACR accessories throughout the U.S. Mr. Bowman also participates in product development and special OEM projects. He was most recently named RSES 2015 Speaker of the Year.

Topics: Refrigerant Leaks: 201 - A comprehensive and detailed discussion on what causes refrigerant leaks. Understanding types of corrosion and acid, both internal and external, to refrigerant piping. Methods of prevention, detection and repair, as well as the Pros and Cons of chemical leak repair products will be discussed. (0.5 PEU Credit)

Locking Refrigerant Caps - Inhalant Abuse and the role of the HVACR Technician
This program provides a comprehensive approach to understanding what Inhalant Abuse is how it affects the Air Conditioning and Refrigeration Industry and what role the HVACR technician has. (0.5 PEU Credit)

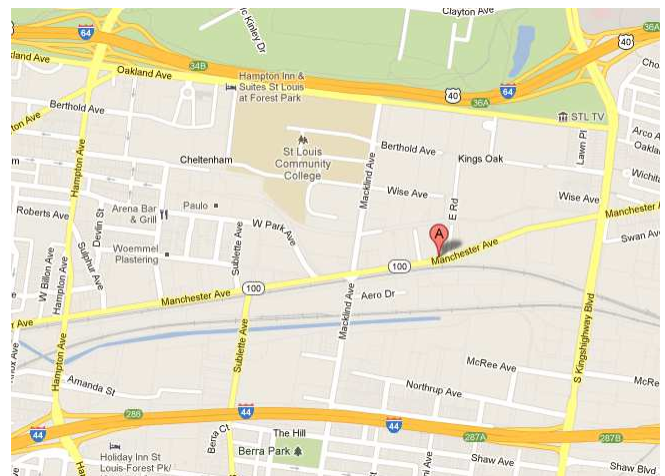

Attending this seminar is worth two 0.5 PEU credits. There is no charge for attending but, if you need PEU credit, there will be a \$15 charge for members and \$25 for non-members. Arrive early to fill out your paperwork which will be distributed after the conclusion of the seminar.

MEETING LOCATION

Crescent Parts & Equipment

5121 Manchester Ave.
St. Louis, MO
63110-2013

(Enter through the electric gate by the loading docks.)
314-647-5511 (If you received this notice via email, you can click on the map for directions.)

The speaker at the November meeting was Paul Brockfield from Mechanical Supply who gave a great seminar covering the newest installation procedures of Weil-McLain ultra-boiler for PEU credits. Thank you Paul for a very informative session!

The board is making plans to host the Annual Mid West Association Conference in March. We need the assistance of you and local businesses to make it a success. If you would like to help in any way, make yourself known to a board member. The conference will take place on March 10th & 11th at Syberg's at Dorsett and I-270 in Maryland Heights. There will be activities for the women and vendors booths. See Mike Huston & Mike Perotta for information on how you can participate.

There are still positions open on the chapter's board of directors that need to be filled. Hang around after the meeting to see what you can do to help. Keep the chapter going and add line to your resume! The facts are, the "old guys" won't be around forever and someone's going to need to step in when we leave if the chapter is to continue. Show them you appreciate the work they've done through the years and speak up now before it's too late.

Call a board member with any suggestions for future meetings you have. If you have or know of an educational opportunity that would benefit our members let us know and we'll try to spread the word.

**RSES is a SERVICEMAN'S educational organization – we need YOU to volunteer to help run it!
The Next Board Meeting will be held after the meeting on the 23rd.
Stay around and get involved before it's too late.**
