Fellowship, networking and drinks afterwards for anyone wanting to join in. Bring your comments and planning for future meetings. The Location will be announced at the meeting.

At the March meeting, attendees earned two PEU credits for two seminars. One covered Backflow Prevention Education and was presented by Jake Franklin with Mack McClain AND the other was a class covering Gas Metering and Regulation given by Donna Murphy - Vice President Of Midwest Gas Equipment. A BIG THANK YOU! to both speakers and their companies for spending their time with us to sharpen our skills - especially Jake Franklin and Mack McClain for bringing the pizza's!

May's meeting topic will cover Vapco Products.

Welcome the newest St Louis RSES members: Darrin and Kevin Patton with Doyle Patton Service and Brian Peterlein for rejoining the chapter!

Thanks go to Ted Schmerber for volunteering to help with chapter duties as a member of the board of directors.

We still need more help from you, our members, to plan and present interesting topics for future meetings. Please don't hesitate to participate in chapter affairs.

RSES is a SERVICEMAN'S educational organization – we need YOU to volunteer to help run it!

The Next Board Meeting will be held right after the meeting.

Join us and give a little back to the Chapter or at least say Thanks!
