

St. Louis Gateway Chapter

Notice of Meeting

THURSDAY, September 20, 2018 – 6:00 PM

Topic: ECM (Electronically Commutated Motor) Technology for the HVAC/R Aftermarket. On July 3, 2019 the US Department of Energy will require all HVAC equipment manufacturers to begin using ECM technology in all of their residential furnace fan / air handler applications. Will you be ready?

Speaker: Chuck Klose, MARS ECM Motor Program Manager and New Product Development Manager.

This seminar has been approved for 1 PEU. Please bring your license with you and arrive early to fill out the application forms. RSES Members \$15 / non-members \$30 for those needing PEU credits.

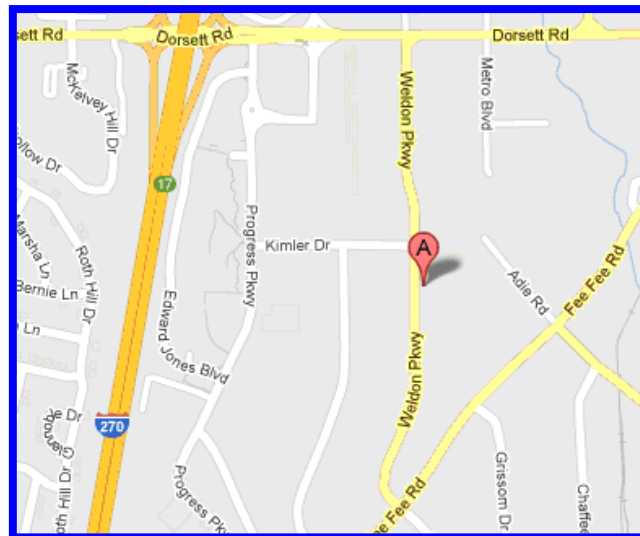

(Water and soft drinks will be provided.)

MEETING LOCATION

Mechanical Supply Company

**96 Weldon Parkway
Maryland Heights, MO 63043
(314) 567-5550**

(if you received this notice via email, click on
the map for directions)

Fellowship, networking and drinks afterwards for anyone wanting to join in. Bring your comments and planning for future meetings. The Location will be announced at the meeting.

We thank Elliot Garner who presented a seminar on Vapco's line of products at the May meeting. Remember, the knowledge you'll gain by attending these seminars is the greatest benefit you'll get from membership in RSES. Make every effort to attend!

Welcome to the newest St Louis RSES member: Jesse Brands!

We still need more help from you, our members, to plan and present interesting topics for future meetings. Please don't hesitate to participate in chapter affairs.

RSES is a SERVICEMAN'S educational organization – we need YOU to volunteer to help run it!
 The Next Board Meeting will be held right after the meeting.
 Join us and give a little back to the Chapter or at least say Thanks!

THIS MEETING NOTICE IS BROUGHT TO YOU IN PART THRU CONTRIBUTIONS OF THE FOLLOWING SPONSORS
 (Consider supporting these associate members when you can since they help support the Chapter.)

St. Louis Gateway Chapter

Notice of Meeting

THURSDAY, September 20, 2018 – 6:00 PM

Topic: ECM (Electronically Commutated Motor) Technology for the HVAC/R Aftermarket. On July 3, 2019 the US Department of Energy will require all HVAC equipment manufacturers to begin using ECM technology in all of their residential furnace fan / air handler applications. Will you be ready?

Speaker: Chuck Klose, MARS ECM Motor Program Manager and New Product Development Manager.

This seminar has been approved for 1 PEU. Please bring your license with you and arrive early to fill out the application forms. RSES Members \$15 / non-members \$30 for those needing PEU credits.

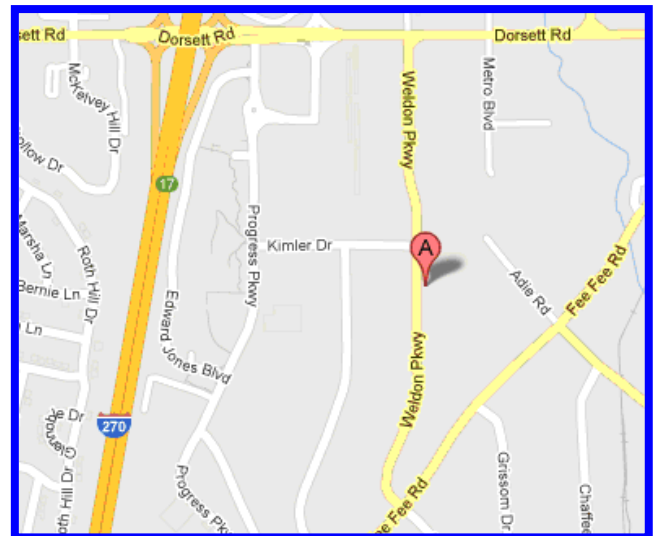

(Water and soft drinks will be provided.)

MEETING LOCATION

Mechanical Supply Company

**96 Weldon Parkway
Maryland Heights, MO 63043
(314) 567-5550**

(if you received this notice via email, click on
the map for directions)

Fellowship, networking and drinks afterwards for anyone wanting to join in. Bring your comments and planning for future meetings. The Location will be announced at the meeting.

We thank Elliot Garner who presented a seminar on Vapco's line of products at the May meeting. Remember, the knowledge you'll gain by attending these seminars is the greatest benefit you'll get from membership in RSES. Make every effort to attend!

Welcome to the newest St Louis RSES member: Jesse Brands!

We still need more help from you, our members, to plan and present interesting topics for future meetings. Please don't hesitate to participate in chapter affairs.

RSES is a SERVICEMAN'S educational organization – we need YOU to volunteer to help run it!
 The Next Board Meeting will be held right after the meeting.
 Join us and give a little back to the Chapter or at least say Thanks!

We thank Elliot Garner who presented a seminar on Vapco's line of products at the May meeting. Remember, the knowledge you'll gain by attending these seminars is the greatest benefit you'll get from membership in RSES. Make every effort to attend!

Welcome to the newest St Louis RSES member: Jesse Brands!

We still need more help from you, our members, to plan and present interesting topics for future meetings. Please don't hesitate to participate in chapter affairs.

RSES is a SERVICEMAN'S educational organization – we need YOU to volunteer to help run it!
 The Next Board Meeting will be held right after the meeting.
 Join us and give a little back to the Chapter or at least say Thanks!

THIS MEETING NOTICE IS BROUGHT TO YOU IN PART THRU CONTRIBUTIONS OF THE FOLLOWING SPONSORS
 (Consider supporting these associate members when you can since they help support the Chapter.)

St. Louis Gateway Chapter

Notice of Meeting

THURSDAY, September 20, 2018 – 6:00 PM

Topic: ECM (Electronically Commutated Motor) Technology for the HVAC/R Aftermarket. On July 3, 2019 the US Department of Energy will require all HVAC equipment manufacturers to begin using ECM technology in all of their residential furnace fan / air handler applications. Will you be ready?

Speaker: Chuck Klose, MARS ECM Motor Program Manager and New Product Development Manager.

This seminar has been approved for 1 PEU. Please bring your license with you and arrive early to fill out the application forms. RSES Members \$15 / non-members \$30 for those needing PEU credits.

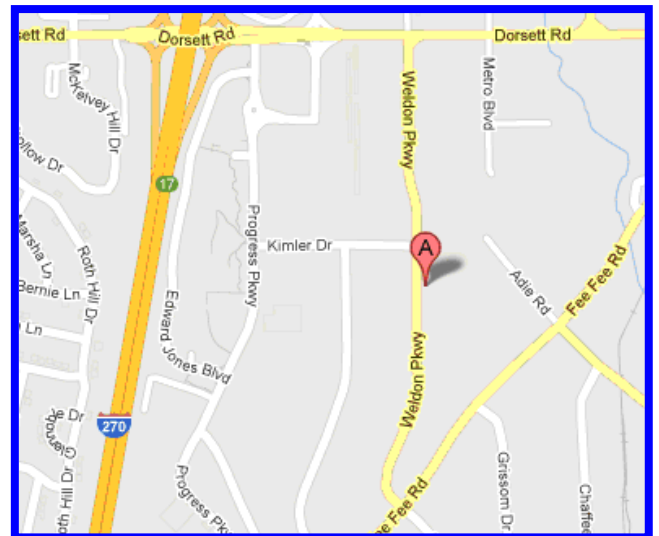

(Water and soft drinks will be provided.)

MEETING LOCATION

Mechanical Supply Company

**96 Weldon Parkway
Maryland Heights, MO 63043
(314) 567-5550**

(if you received this notice via email, click on
the map for directions)

Fellowship, networking and drinks afterwards for anyone wanting to join in. Bring your comments and planning for future meetings. The Location will be announced at the meeting.
